The Fishing Creek Farm Homeowners Association offers many convenient amenities for its members, such as access to a boat ramp and kayak / paddleboard storage racks near the boat ramp.

In an effort to deter non-community members from utilizing the boat ramp and kayak stand as well as identifying items belonging to Fishing Creek Farm residents, the Board has implemented a registration system utilizing numbered stickers. The stickers are for kayaks, paddleboards and boat trailers.

If you use the boat ramp or store a kayak or paddleboard near the ramp or would like to, please complete the enclosed form and return it to our Board Secretary's email.

Kayaks and Paddleboards: Please affix the identifying sticker toward the front of the craft so that it is readily visible when on the stand.

Trailer Owners: Please place the sticker within a few inches of the hitch.

Please remember during inclement weather it may be necessary for the owners to retrieve the craft and store it elsewhere.

Any craft without a registration sticker displayed on the craft will be removed from the area.

Thank you for your assistance!
